

BIO:

Illusions of Grandeur is a theatrical metal powerhouse back with a new EP released on 1/31/2025.

Illusions Of Grandeur is known for their epic blend of hard-hitting riffs and dramatic storytelling,

For fans of In This Moment, Slipknot, and Rammstein, Illusions of Grandeur continues to captivate audiences with their unique sound and immersive live performances. Based in Los Angeles, the band has been electrifying stages across the United States, UK, Germany, France, and even the Ukraine since their formation in 2016.

“Our Flag Means Death” promises to be another hard-hitting release, adding to the band’s growing catalog of fierce and theatrical metal anthems.

Over the years, Illusions of Grandeur has become a staple on the festival circuit, appearing at Rockfest, Brewstock, Sav Fest, and Extreme Metal Mayhem Festival MI, among others. They’ve shared the stage with notable acts such as DOPE, Motograter, New Year’s Day, Puddle of Mudd, Stryper, Stitched Up Heart, and Otep.

Their live show, known as The Siren Saga, is a dramatic retelling of mythological tales that blends Greek and Norse mythology, Sirens, Gods, and Archangels. A true spectacle, it’s much more than just a concert – it’s a theatrical experience.

Don’t miss Illusions of Grandeur’s latest EP release “The Siren Rises Part 1 The Witch” out Now, and catch their unforgettable performances in the LA area!

Illusions of Grandeur’s fierce and energetic live show has gained them a legion of fans dubbed “The Siren Nation” who follow them worldwide, at live shows, and on social media.
